## Do

If the job is to live a life, Let it be lived in entirety and with an intense passion.

## Your

If the job is to achieve our goals, Let these be achieved as the drops which dissolve to be the oceans themselves

## Job

And if the job is to excel and transform, Let the knowledge be our learning and the learning be our skill.

## Well

Let the skill be an asset not of ours but of the whole mankind

## MESSAGE

Education is the basis of all progress. The entire purpose of education is not restricted to bookish knowledge but it also inculcates altruistic values like vision, benevolence, valour, unpretentiousness, veracity and steadfastness in students. Formal education is not groundwork for life but it is the life itself. In this era of highly competitive world and rapid advancement, education is the only saviour as it gives a distinct perspective to the students and provides deeper insights and a broader visualization of looking at life.

In today's fast evolving world, an erudite person will always outshine others. Guru Nanak Dev University has always believed in the integrated development of its students and it is noteworthy that all its constituent and affiliated colleges are steadfastly following the well-defined path. I am pleased to note that Guru Nanak Dev University College, Verka addresses the academic needs of the students from rural and border areas. This institution is playing a pivotal role in the socio-economic development of the rural area. The college has state-of-the-art infrastructure and equipment to facilitate effective learning and it is keeping abreast with the ever changing educational and technological advancements. With the notable intention to provide quality education and career opportunities to students of the region and make them employable, the college is also focusing on professional courses. With its dedicated faculty, the college will definitely fulfill its mission of integrated development and prepare the students to face the real world challenges.

I further understand that Guru Nanak Dev University College, Verka will generate tremendous momentum for advancement on an accelerated path as there are no shortcuts to excellence. My regards to College team for achieving their dreams in this challenging journey towards their goal.

# MESSAGE

It gives me immense pleasure to know that Guru Nanak Dev University College, Verka is geared up for the new session teeming with learning & growth. You are indeed blessed to find an opportunity to get education at one of the best colleges of Amritsar. The college has the privilege of having a healthy, harmonious ambience and rich values which have played pivotal role in shaping the future of innumerable students. Our mission is to transform students into rational thinkers, competent workers, law abiding citizens and spiritually enlightened individuals. The college has excelled in every field. Many students have registered their presence in the merit list of University and others have brought laurels in cultural activities in zonal and inter-zonal youth festivals. In this era of cut throat competition, it is of paramount importance to be equipped with appropriate knowledge, habits, attitudes and values leading to holistic development. I believe that you would develop versatile personality during your stay in this temple of learning.

To be successful in life, have ambitions and define your goals clearly. Discipline and hard work is the key to success. Be regular in your classes and focus on your goals. Your concerted efforts with the able guidance of your teachers would definitely provide you a blissful and successful life. I am sure that under the dynamic leadership of the Principal, the college will touch new heights in the coming years.

I welcome all the students and wish all the best for achieving greater success and scaling new heights in the coming session.

**Dr. Karanjit Singh Kahlon**

Registrar

Guru Nanak Dev University, Amritsar

It is a privilege to lead as head of Constituent colleges associated with Guru Nanak Dev University, Amritsar. These colleges have been established as a result of united effort of UGC, Government of Punjab and Guru Nanak Dev University, Amritsar with special purposes of raising the standard of higher education specially in rural area. These constituent colleges are under GNDU Management and get financial support from Punjab Government. For that reason, the fee structure has been according to the government colleges. These colleges provide quality and affordable education to needy students.

While cherishing the journey and milestones achieved so far, we must look forward and prepare ourselves for future challenges to propel these colleges to even greater heights. From current year (2024-25), our primary focus is on implementing the New Education Policy (NEP) in its true spirit, fostering interdisciplinary research, deepening industry-academia collaboration, exploring and developing new avenues of knowledge, and resource generation through knowledge transfer. The colleges give students the opportunity to integrate their minds, imaginations, and emotions in order to become capable of resolving public issues. The students have twofold responsibilities: one is to transform themselves, and the other is to address the complex problems faced by the society. It is my earnest appeal to students to make the best use of the time they spend at the college for their holistic transformation. The students must keep their curiosity alive and experiment new things. Let us educate society so that it is capable of generating innumerable ideas for human welfare. I am hopeful and confident that with everyone's support and commitment, we will achieve new milestones with ever-rising benchmarks, help our youth in making their dreams a reality, and propel the colleges to new heights. I urge the students to choose these colleges as their first preference.

The credit also goes to Vice-Chancellor of University, who has put in great efforts to establish and develop these colleges.

# MESSAGE

Education is a fundamental societal need which churns human mind with the essentialities of a basic value system. Values and worldly education share a dialectical relationship. Students imbibe values and simultaneously study hard for career building and thus achieve self-actualization. The Bhagwad Gita states, "Right knowledge is the ultimate solution to all our problems." As we delve deeply into Lord Krishna's 'Karmayog Philosophy' we realise that every act can be an act of prayer. Career building and spiritual enhancement must evolve in a parallel pattern. Guru Nanak Dev University College, Verka is an insignia of an institutionalised value system. In this prestigious institution, we aim to channelise our students towards a challenging path of self-realisation and cultivate primal human values which will assist them to be honest and sincere human beings. The aim of our tenacious faculty is to assist the students to garner adequate social skills to make a profitable career and at the same time, nurture a path of values like truth, honesty, innate goodness, consistent hard work, catering to the value of living life in the present, punctuality, good conduct, developing a multi-tasking calibre, nourishing holistic skills and above all being simple individuals with a ripe character. Our college aspires to create dedicated citizens who are proud to be diminutive specks of a great motherland. We need secular minded beings who stand in awe of a country which is multilingual, multicultural and has a kaleidoscopic variety of traditions and religions. Right from the Himalayan peaks, stretching forth towards southern tip of Kanya Kumari, India has a magnanimity with a secular mindset, which we incorporate to our students.

The session 2023-2024 has been an immensely successful pursuit. It is with profound contentment that I acknowledge the cumulative effort of the entire workforce, primarily students and teachers, who have put in their best efforts for such an efficient and fruitful session. I also express my gratitude to all our other employees who constantly work for the cleanliness and maintenance of the college.

# COLLEGE PROFILE

Guru Nanak Dev University College, Verka was established as a constituent college of Guru Nanak Dev University in 2011. It is a co-educational college. The administrative functioning of the college is regulated by Guru Nanak Dev University, Amritsar. It is situated in the lush green surroundings of the countryside away from the din of the city. It is located between the Amritsar-Jalandhar by-pass and Amritsar-Batala bypass. It has a sprawling campus covering 15 acres of land donated by Mushtarqa Malikan Committee of the village Verka. The people of Verka would be remembered for this act forever. The constituent colleges were set up to bring higher education within the reach of the people of remote rural areas, so that maximum benefit reaches the less privileged and the needy.

The college will scale new heights under the able guidance of Dr. Jaspal Singh Sandhu, the present Vice-Chancellor of Guru Nanak Dev University. He has visionary zeal for academic excellence and under his leadership; the college will certainly reach the pinnacle of educational eminence. **The College is covered under the 2(F) & 12(B) scheme of the UGC. As a result, it is entitled to receive financial support from the Central government, the government of Punjab and the UGC.** The College has been given BVOC Courses also by the UGC. The teaching fraternity of college is highly

qualified and dedicated who constantly strive for their growth as well as for the holistic development of their students. For this purpose, both academic as well as extra curricular activities are conducted as a regular feature of curriculum. The students of this college have brought laurels by winning many online inter college competitions. Similarly, the teachers keep working for the pursuit of excellence in their respective fields. Many teachers have been promoted to the next stage under Career Advancement scheme of UGC. The teachers have presented papers and delivered lectures as Resource Persons in many national and international conferences and seminars. The teaching staff regularly attends faculty development programmes to remain updated and is also actively engaged in research work.
